CleanTouch™ Bath Wipes

Ultra Soft & Gentle. Fight Germs & Odours.

N Medical CleanTouch™ Bath Wipes are a convenient rinse free bathing system, used to reduce the risk of infection through control of cross contamination. These disposable and pre-moistened wash cloths can be heated in the microwave and have a gentle no rinse hydrating cleanser. The ultra soft and hyper-allergenic wipes are ideal for hospital, clinics, and elderly care use.

Lemon Glycerin Swabsticks

Fresh. Sugar-Free.

N Medical Lemon Glycerine Swabsticks provide a refreshing lemon taste that helps stimulate saliva flow, while the glycerin lubricates and softens the oral tissue. The sugar-free lemon flavoured oral swabs are pleasant tasting and taste bud stimulating. The swabsticks are effective for patients with parched lips, patients on oxygen or fluid restrictions, and as part of routine oral care.

Wooden Tongue Depressors

Smooth Edges. Firm. Odourless.

N Medical Wooden Tongue Depressors are designed for tongue depressing in a medical setting. The depressors are machine crafted using solid wood pieces, making them sturdy and firm. The ultra smooth edges created by precision cut, and odourless property is ideal for oral use.
